Product Description

EGO POWER+ Hedge Trimmer Attachment - PTX5100

The EGO POWER+ Commercial Pole Hedge Attachment is designed to be used exclusively with the Commercial Telescopic Power Pole system. The 22" Pole Hedge Attachment has double-sided, laser-cut steel blades to ensure durability and longevity against the all-day conditions met by professionals. The Commercial Pole Hedge Attachment lasts up to 2 hours (with the recommended 5.0Ah 56V ARC Lithium™ battery). The 1" cut capacity combined with up to 3000 SPM work together to get tough jobs done faster. The high-efficiency brushless motor allows for longer run time, low vibrations, and extended tool life. A 6-position articulation and 90-degree rotatable head allow you to cut from any angle to power through a wide range of applications. Experience Power Beyond Belief™ with the EGO POWER+ Commercial Pole Hedge Attachment.
