Product Description

Yanmar YT235VXHI Multi-Purpose Compact Tractor

Multi-purpose Compact Tractor

The YT235 is equipped with a hydrostatic transmission that gives you an unlimited choice of tractor speeds. Quickly find the ideal speed for the easiest to the most demanding jobs. To make work simple, the YT235 provides three-speed ranges controlled by a left-hand shift lever.

- Performance Link Technology™
- ROPS Platform
- Advanced controls to ease operator workload & increase comfort
- Dual hydraulic pumps
- Smooth hydraulic power steering
- True 3-point hitch position control
- Electro hydro independent PTO with one-touch on/off

Comfort + Control + Innovation.

As with every YANMAR tractor, the true power lies in the fuel-efficient YANMAR diesel engine. That means the YT235 can do serious work with a front-end loader, a hydraulic backhoe, and three-point hitch attachments for mowing, tilling, planting, digging, plowing, and much more.

The advanced styling of the YANMAR YT2 Series tractors is only the beginning. The YT235 is built to help you be more efficient and productive. Every day. From easy-to-use controls to the advanced engineering under the hood, the innovation of the YT235 goes much deeper than stunning aesthetics.
