Product Description

Takeuchi TW80 Series 3 Wheel Loader

The TW80 Series 3 features a compact design that is ideal for maneuvering in tight spaces with minimal damage to lawns and other sensitive surfaces. Delivering 73 horsepower, the TW80 Series 3 is equipped with a powerful, turbocharged Deutz engine that is EPA Final Tier 4 compliant. The loader has excellent reach, dump height, and lifting capabilities making it suitable for a wide variety of applications, and the standard hydraulic coupler simplifies attachment exchanges. The operator's station is elevated and unobstructed for greater visibility and better job site awareness. Excellent power, precise control, lower operational and maintenance costs result in increased productivity and minimal downtime.
