Product Description

New Holland T26 Series II Tractor

NEW TS6 Series II tractors are the new face of standard tractors, yet these tractors are anything but basic. They're big on power and efficiency, loaded with comfort, and ready to handle your toughest tasks. In short, they're your best choice if you're looking for a strong, modern, and affordable all-purpose tractor.

- Tier 4B engines provide more horsepower and torque than previous models while reducing emissions and fuel use.
 - TS6 Series II tractors are affordable, big on power and efficiency, loaded with comfort, and ready to handle your toughest tasks.
 - The TS6.120 High-Clearance tractor nimbly maneuvers down rows of vegetable and specialty crops.
 - Both the VisionsView™ cab and open, flat-deck platform give you plenty of room and operating ease.
-
