Product Description

Kress Commercial 60V 16.5" Line Trimmer- Tool Only

The first truly cordless solution for commercial line trimmer applications. The Kress line trimmer eliminates any need for gas. With a revolutionary battery and charging system, there are no concerns of being short on power for those large properties requiring extensive trimming. The Kress-built brushless motor provides exceptional power for trimming manicured lawns or tackling high weeds in overgrown areas. The trimmer head design provides a high level of durability & quick-load line features, combined with IPX4 waterproofing to address the issues encountered in everyday landscaping.
