Product Description

Kress Commercial 60V 21" Self-Propelled Lawn Mower- Tool Only

The first truly cordless solution for commercial use. The Kress walk-behind mower eliminates any need for gas. With a revolutionary battery and charging system, there are no concerns of being short on power for those long landscaping days. The Kress-built brushless motor provides exceptional power for mulching, and bagging operations. The deck design promotes extraordinary air flow to provide an unprecedented cut quality. With a reinforced steel deck, IPX4 waterproofing, front bumper protection, trim side wear plate, and rubber tires, the Kress mower will handle the difficulty encountered in everyday landscaping.
