Product Description

Kress 60 V 16" brushless carbon fiber line trimmer - KG162

The Kress 60 V carbon fiber line trimmer combines enhanced durability with the power and user-friendly features necessary for efficient yard maintenance.

- Kress-built brushless motors provide more power, longer runtime, and extended lifespan over standard brushed motors.
 - Gas-like power & performance, the perfect line trimmer for tough applications and larger lawns
 - Kress-built brushless motors deliver greater levels of power, runtime, and an extended service life
 - ECO mode extends battery life, great for trimming in delicate areas.
 - ECO mode with variable-speed trigger control helps maximize the efficiency, run time, and ease of use
-
