Product Description

Kress 20 V / 2 Ah lithium-ion battery - KAB02

Powerful, compact and flexible. The Krosspack 2 Ah battery is extremely versatile and compatible with all tools from the Kress 20 V and 40V ranges. Compact in size and ideal for jobs that demand high efficiency combined with precise control. Battery keep cool technology combined with the ultimate cell protection ensures battery cells are protected from overheating, impact and extreme external temperatures, ensuring a long service life.

- Krosspack platform powers all 20 V and 40 V Kress Garden and powertool devices for shareable power
 - 2 Ah capacity combined with a compact and lightweight design
 - Intelligent battery management system optimizes individual Li-Ion cells
 - Thanks to the insulating HDPE shielding increases efficiency and runtime
 - The built-in battery cell guard protects from extreme external temperatures and physical impacts
 - Battery capacity indicator for a quick reference of the battery status
-
