Product Description

DeWalt 60V MAX* High Power Brushless Blower Kit

Tackle tough clean-up and clear stubborn debris with the 60V MAX* High Power Brushless Blower. Featuring a compact design and foam for quiet operation, this cordless blower produces up to 78% less noise than gas††. With optimized fan geometry that delivers up to 760 CFM of air volume and 160 mph, this compact blower comes equipped with a flat nozzle, a concentrator nozzle, and a shoulder strap for added versatility in a wide range of applications.

Features:

- Up to 46% more blowing force than gas ‡
- Optimized engineering - power through tough debris with optimized fan geometry that provides up to 760 cfm of air volume and 160 mph
- Quiet operation - limit noise levels with foam that helps deliver up to 78% less noise than gas
- Comfortable use - work comfortably on long days with balanced ergonomic design
- Dual-performance modes - take on difficult clean-up jobs with turbo mode or get up to 20 min. of runtime in eco mode†
- Advanced functionality and control - stay in control with the bright led dashboard that offers real-time performance updates
- Additional accessories included - complete a variety of jobs with the included flat nozzle, concentrator nozzle, and shoulder strap
- Tool connect™ capable - simplify equipment tracking by installing the dce042 tool connect chip

Includes:

- (1) Concentrator
- (1) Sweeper Nozzle

- (1) Shoulder Strap
 - (1) DCB612
 - (1) DCB1104
-
