Product Description

DeWalt FLEXVOLT® 60V MAX* Cordless Chainsaw (Tool Only)

The FLEXVOLT 60V MAX* Cordless Chainsaw powers through tough construction and demolition jobs. It features a low-kickback 16 in bar and chain for cutting through large limbs, logs, and thick beams. It gives you the power you need with the convenience of our FLEXVOLT 20V/60V MAX* battery platform. Get up to 70 cuts per charge** on a 6 in x 6 in pressure treated pine wood beam. This listing includes the tool only. Purchase battery separately.

Features:

- Low-kickback 16 in. Bar and Chain for construction and outdoor cutting applications
- Auto-oiling for continuous chain lubrication with quarter-turn oil cap for quick oil refills
- Up to 70 cuts per charge** on a 6 in. x 6 in. pressure treated pine wood beam
- Chain brake for kick back protection
- Tool-free chain tensioning and bar tightening knob for proper bar clamping force

Includes:

- (1) Hard Bar Cover
 - (1) DCCS670 60V MAX* Brushless Chainsaw
-
