Product Description

DeWalt 20V MAX* Brushless Cordless Edger (Tool Only)

Achieve a picture-perfect lawn with the 20V MAX* Brushless Cordless Edger. This Edger comes equipped with an edge guide to help you consistently and cleanly manicure your lawn's edges while protecting the blade from accidental scrapes and nicks against abrasive surfaces. Its 3-position depth adjustment provides the user with up to 2 in. of cutting depth while the adjustable bail handle and high-efficiency brushless motor were engineered to deliver professional-grade edging experience. Battery sold separately.

Features:

- CUT WITH PRECISION: Edge guide designed for long blade life and cutting accuracy
- 3-POSITION DEPTH ADJUSTMENT allows for cutting up to 2 in. deep
- ADJUSTABLE BAIL HANDLE: Change Edger grip for the most comfortable experience
- HIGH WORKLOAD CAPACITY: High-efficiency brushless motor engineered to help you get more done in less time

Includes:

- (1) DCED400 Edger
 - (1) Tool for Blade Change
 - (1) DZO400 Edger Blade
-
