Product Description

Bobcat 72" ZT7000 EFI Zero-Turn Mower

Built to boost your bottom line, the ZT7000 zero-turn mower is the peak of toughness and best-in-the-business performance. With transport speeds up to 19 mph and mowing speeds up to 13 mph, you can knock out quality results, job after job. With features like a heavy-duty drive system, industry-leading cutting technology, and powerful engine options, you get major commercial-grade power that's a cut above the rest.

- Shift to a whole new degree of performance with the Hydro-Gear ZT-5400 hydrostatic transaxle drive system. It features a 2-speed foot pedal and delivers maximum output and torque.
 - With two engine options and up to 37 horsepower, the ZT7000 delivers major power and pro-grade performance.
 - The science behind the perfect cut is defined by the AirFX™ zero-turn mower cutting deck. Built to tackle all turf types, it features a deep, bullnose design that increases vacuum, lifting grass up to the cutting blade for a superior quality of cut and a better-protected cutting deck
-
