Product Description

Bobcat 36" ZS4000 Stand-On Mower

Get stand-up performance with the ZS4000 zero-turn stand-on mower. The ZS4000 is equipped with commercial-grade features including the bullnose AirFX™ cutting system, a low center of gravity and tool-free controls - all designed to let you maneuver through tough obstacles with total confidence. Equipped with a powerful Kawasaki® FX series engine, this zero-turn mower also boasts a heavy-duty drive system for quick ground speeds.

- Featuring Air-Gap baffles and vacuum seals, the ZS4000's AirFX cutting deck increases lift on every blade of grass for unmatched precision. A 36-inch DuraDeck™ cutting system is also available.
 - Command unmatched control and response from ergonomic, tool-free controls with adjustable tracking that put a whole new level of zero-turn, stand-on mowing control right at your fingertips.
 - When it comes to maneuvering around obstacles or tight spaces, the ZS4000 has an intuitive operator-station design that provides a superior "center of mass" stability that makes you feel like you're one with the machine.
-
