Product Description

RedMax HB281 Blower

The HB281 is the ideal blower for the operator looking for high performance and durability in a handheld. The HB281 handheld blower features a 28.0 cc, 1.1 horsepower engine that produces a maximum air speed of 170 mph. This high power to weight ratio enables the operator to complete the job quickly with minimal fatigue. A gutter kit is available as an optional accessory.
