Product Description

Kioti ZXD61 Diesel Zero Turn Mower

Conquer vast landscapes w/ the ZXD61 diesel zero turn mower. Engineered with a vertical integration strategy, belt-free KIOTI 1.2L engine, & direct drive transaxles.

KIOTI Diesel Engine

Packs a fuel-efficient punch, delivering muscle for demanding tasks and whisper-quiet operation, fed by a 17.1 gallon fuel tank.

Heavy duty chassis

Boosts stability, handling, and longevity, tackling tough terrain and bumps with confidence.

7-gauge fabricated steel deck

Offers heavyweight resilience for tougher mowing with a smoother cut.

Operator Comfort

Best-in-class operator comfort thanks to a premium rubber isolated 3-inch suspension seat and articulating front axle.
