Product Description

Ariens Professional 28 Snow Blower - 926093

The Professional Series earns its name by the tonnage it clears during each use. The deepest, heaviest snowfalls are no match for this 420cc engine. A giant 23.5" housing height and 16" serrated auger scarf down mountainous drifts with ease, throwing snow up to 60 feet. You don't need to be a professional to own one, only the desire to move as much as possible in as little time as possible. Throw like the pros with this machine.

The RapidTrak system is available on select two-stage Sno-Thro[®] models.
