Product Description

E-SERIES 80V SNOW THROWER with CHARGER

80V Electric Snow Thrower - Power Through Winter with Ease

Clear snow effortlessly with our **80V Electric Snow Thrower**, designed to handle even the toughest winter conditions. Whether you're dealing with light powder or heavy snowdrifts, this snow thrower is your ultimate tool for fast, efficient snow removal.

Key Features:

- **80V Brushless Motor:** Provides superior power, performance, and durability with quiet operation.
- **22-Inch Clearing Width:** Tackle large areas quickly by clearing a 22-inch path with every pass.
- **13-Inch Clearing Depth:** Effectively removes heavy snow buildup, making your driveway and walkways safe.
- **Dual LED Lights:** Increase visibility during early mornings or evening snow clearing sessions.
- **Adjustable 180° Discharge Chute:** Direct snow exactly where you need it with easy chute control.
- **Push-Button Start:** Forget the hassle of gas—start instantly at the press of a button.
- **Universal Battery System:** Compatible across all Bad Boy E-Series products for seamless power integration.

Performance & Convenience:

- **Battery Powered:** 80V lithium-ion battery ensures long runtime and zero emissions. Say goodbye to cords and gas refills.
- **Compact Design:** Easy to store when not in use, saving space in your garage or shed.
- **Minimal Maintenance:** No need for oil changes or tune-ups, so you can focus on snow removal without the headache.

Conquer winter with confidence using the **80V Electric Snow Thrower**—the eco-friendly, high-powered

solution for snow removal. Make winter chores a breeze and get back to what you enjoy most!
