Product Description

BAD BOY E-SERIES 80V WORK LIGHT

Key Features:

2,500 Lumen Brightness: Experience exceptional illumination, perfect for any job site or home project.

Extended Runtime: Enjoy up to 9 hours of continuous light on a single charge, allowing you to work without interruption.

Simple On/Off Settings: Easy-to-use controls make operating the work light straightforward and hassle-free.

Hybrid Performance: Operate with either the 80V battery or an extension cord, providing flexibility and convenience for any situation.

Integrated Hanging Hook: Easily hang the light wherever you need it, ensuring optimal positioning and hands-free operation.
