Product Description

Bighorn 550 E UTV

Designed for the farm, ranch, trail, and backwoods, the Bighorn Explorer 550 E full size UTV with EPS is loaded with best in class features and power. Equipped with electric power steering (EPS), the 550 E gives you effortless steering under load. Largest-in-class extended leg room, 34HP liquid-cooled engine, on demand 4 wheel drive, front and rear differential locks make traversing the most rugged terrains a breeze, even in wintry and slippery conditions. Once you are home, unlock rear differentials to protect your lawn and turf from damage. Equipped with a windshield, hard top roof, mirrors, aluminum alloy wheels, a 3,500 lb. winch, and 3-point seat belts, the Explorer 550 gives you the confidence to take on the most demanding tasks for work and recreation. Primary Feature and Use - Property and Offroad - Comfort, Safety, Reliability
