Product Description

Arctic Cat Alterra 450 2027 433cc ATV

Meet the mid-sized ATV made for weekend warriors. The Alterra 450 combines easy handling, responsiveness and versatility to deliver a smooth ride, regardless of skill level. The Alterra 450 carries on Arctic Cat's long tradition of building purpose-driven off-road machines with the engineering quality and feature depth that experienced riders expect from the brand.

Whether you are a first-time rider looking for an approachable platform to learn on or a seasoned enthusiast seeking dependable performance on weekend trail runs, the Arctic Cat Alterra 450 delivers a well-rounded experience. Its combination of 433cc displacement, cvt drivetrain, and rugged chassis construction makes it a competitive choice in the recreational ATV segment. With Arctic Cat backing, the Alterra 450 benefits from decades of powersports engineering knowledge and an extensive dealer and support network across North America.

The Alterra 450 is an excellent choice for recreational riders, weekend explorers, and property owners who want a reliable and versatile ATV. Made for riders 16 years of age and older. Arctic Cat recommends that all riders take a training course and read their owner's manual thoroughly. It performs well on established trail systems, forest roads, and open terrain. Whether used for hunting access, property maintenance, or pure recreational riding, the Alterra 450 offers the right combination of capability and everyday usability. It is backed by a 12 Months warranty.

Engine and Drivetrain

The Alterra 450 is powered by a Liquid Cooled, Single Cylinder, with EFI (Electronic Fuel Injection) fuel delivery. Power is routed through a CVT for seamless power delivery across the rev range. The drivetrain setup gives riders the flexibility to tackle technical terrain with confidence, while the gearing remains manageable for everyday trail use.

- Engine displacement: 433cc
- Engine type: Liquid Cooled, Single Cylinder
- Fuel delivery: EFI (Electronic Fuel Injection)
- Drivetrain: CVT
- Fuel capacity: 4.3 gal (16.2 L)
- Starting system: Electric Start

Suspension and Handling

Rider comfort is addressed through a purpose-engineered suspension setup that balances compliance on rough terrain with confident stability at higher speeds. The Arctic Cat Alterra 450 employs a Double A-Arm with 7.5- in (19 cm) Travel up front and Double A-Arm with 7-in (18 cm) Travel at the rear, providing adequate travel for trail riding. The braking system uses Dual Front Hydraulic Disc, Single Rear Hydraulic Disc to deliver consistent stopping power in wet and dry conditions alike.

- Front suspension: Double A-Arm with 7.5- in (19 cm) Travel
- Rear suspension: Double A-Arm with 7-in (18 cm) Travel
- Brakes: Dual Front Hydraulic Disc, Single Rear Hydraulic Disc
- Tires: 25 x 8-12 front / 25 x 10-12 rear
- Ground clearance: 10.2 in (25.9 cm)
- Wheelbase: 48 in (121.9 cm)

Dimensions and Utility

The Alterra 450 is built around a proportioned chassis that fits comfortably in a range of trail conditions. Tipping the scales at 613 lbs (278 kg), the ATV remains manageable while still offering the structural rigidity riders depend on over repeated use. With a towing capacity of 1,050 lbs. (476 kg), and 150 lbs (68 kg) rear rack capacity, the Alterra 450 doubles as a working machine capable of assisting with light property and farm tasks.

- Overall length: 83.9 in (213 cm)
- Overall width: 44 in (111.8 cm)
- Overall height: 46.9 in (119 cm)
- Weight (dry): 613 lbs (278 kg)
- Towing capacity: 1,050 lbs. (476 kg)
- Hitch: Standard 2-in Receiver
- Front rack capacity: 75 lbs (34 kg)
- Rear rack capacity: 150 lbs (68 kg)
- Total rider and cargo capacity: 440 lbs (199.5 kg)

Features and Technology

Arctic Cat has equipped the Alterra 450 with a range of standard features that improve the riding experience without adding unnecessary complexity. The multifunctional digital gauge keeps the rider informed of key vehicle data at all times. Lighting consists of dual high/low beam halogen headlights and dual halogen brake light/tail light, providing good visibility for morning or evening rides. A full length skid plate protects the undercarriage on rocky or uneven terrain. Available in Marsh Green, Fire Red, the Alterra 450 presents a clean, trail-ready appearance.

- Instrumentation: Multifunctional Digital Gauge
 - Lighting: Dual High/Low Beam Halogen Headlights and Dual Halogen Brake Light/Tail Light
 - Skid plate: Full Length
 - Available colors: Marsh Green, Fire Red
