Product Description

Arctic Cat El Tigré 858 137 2027 858cc Snowmobile

Prepare for total trail domination with the return of El Tigré. Our fully loaded, premium sled blends power and precision with control and comfort. Electronic power steering, new Arrowhead track and C&A Pro skis help you push every ride to the limit. The El Tigré 858 137 offers competitive specification for its class and benefits from Arctic Cat's legacy of snowmobile innovation. Whether you are a seasoned enthusiast or a rider building hours in their home riding area, the El Tigré 858 137 brings a proven combination of chassis engineering, powertrain capability, and standard equipment to the trails.

Arctic Cat has been producing snowmobiles since 1962 and the El Tigre series continues that tradition with a machine that reflects current engineering priorities while remaining true to the brand's commitment to rider-focused design. The 858cc engine at the core of the El Tigré 858 137 powers it through a wide range of conditions with consistency and character.

The El Tigré 858 137 is aimed at experienced trail riders who want a premium level of specification and performance refinement. Its rich standard equipment list, premium powertrain, and higher-specification suspension setup make it a stand-out option for riders who have moved past the entry-level trail experience and want more from their machine every time they ride. The El Tigré 858 137 is backed by a 12 Months warranty.

Engine and Powertrain

The El Tigré 858 137 is powered by a 858, 2-Stroke engine, liquid cooled, with next gen. c-tec2 fuel delivery. The bore and stroke dimensions of 85 x 75.6 mm give the engine its distinctive power character. Clutch duties are handled by an ADAPT / ADAPT setup, calibrated to deliver smooth and efficient power transfer across the power range. The exhaust system, apv iv w/ full stainless steel exhaust & egt sensors, contributes to the engine's overall performance character. A minimum octane rating of 91 is recommended to maintain proper engine performance.
