Product Description

Hustler Zevo 42" Electric Zero Turn Mower - 941997

The Hustler Turf Zevo electric mower was built exclusively with the homeowner in mind. Clean lines, comfortable, easy to operate and maintain, the Zevo is user-friendly and environmentally friendly but also durable. Unlike our competitors who use flimsy stamped decks, all Zevo zero-turn residential mowers come standard with heavy-duty fabricated decks. The star of the Zevo is an all-electric system boasting up to 90-minute run time, 6-hour charge, and ability to mow up to 3.6 acres per charge.
