Product Description

eXmark 50" Quest E-Series Zero Turn Mower

For homeowners looking to step up to professional-grade equipment, the Quest E-Series zero-turn rider delivers the cut quality, durability and value Exmark owners expect. Capable of mowing up to 2.8 acres per hour at ground speeds of up to 7 mph, the Quest E-Series delivers pro-level productivity combined with zero-turn precision. Plus, with a premium, ergonomically designed operator seat and padded control levers, the Quest E-Series is comfortable and easy to operate for virtually anyone. Available with 42- or 50-inch Series 2 cutting decks.
