Product Description

eXmark 54" Quest S-Series Zero Turn Mower

For homeowners looking to upgrade to the ultimate commercial-grade zero-turn mower, the Quest S-Series is the obvious choice. Its massive 54-inch Series 2 cutting deck features fabricated and welded construction for ultimate durability and unmatched cut quality. The twin-cylinder Exmark engine powers through tough mowing jobs, while the heavy-duty Hydro-Gear ZT2200 hydro drive system provides zero-turn precision and forward ground speeds of up to 7 mph. The Quest S-Series goes the extra mile, with the advanced productivity, cut quality, and long-term durability that Exmark owners expect.
