Product Description

2022 Altoz TSX 561i Finish Cut Zero Turn Mower

Tackle slopes, tight spaces, and any other challenging conditions you encounter. The Altoz TSX combines next-level engineering with industrial-strength design to bring you the world's first tracked stand-on mower.

World's first tracked stand-on mower, the TSX offers the ability to get more done in less time with an unmatched degree of stability on slopes, maneuverability, and precision.

HV All-Terrain Deck

Power through harsh conditions and rough terrain with the TSX all-terrain track system featuring rear-mounted torsional axle suspension that delivers maximum traction, stability, and low ground pressure for minimal earth compaction. This along with the flat-free tires beneath the TorqFlex™ front suspension provides a smooth, comfortable ride.

Aero Deck™

The Aero Deck™ high-output cutting system gives the precision cut you count on. Features recessed anti-scalp wheels and fully adjustable baffles so you can get a professional-grade cut every time.
