Product Description

Bearcat CH5627 5-inch Chipper

POWER AND EFFICIENCY COME STANDARD.

Crary® Bear Cat® engineers and manufactures the strongest lineup of towable Chippers right here in the USA. With a wide range of models, there is sure to be one that fits your needs. On top of this is a best-in-class warranty.

With the reliable Crary® Bear Cat® CH5627 Chipper, taking care of tree limbs and prunings is quick and simple. Tree services and landscaping companies use the CH5627 Chipper for jobsite cleanup, power line clearing, and easement cleaning. With the road towable hitch, the CH5627 has “go anywhere” usability. 2” coupler standard.

The CH5627 Chipper is built with a double-banded belt drive that ensures equal transfer of power from the engine to the chipper blade, increasing the disc speed and allowing the operator to chip more material at a faster pace.

The CH5627 model is designed with a range of features and options that include; a flip-up jack stand that ensures machine balance during machine operation, highway towable mobility allowing this chipper to be transported to a number of worksites easily and a rotating discharge chute, letting the operator choose the direction of the discharge materials.

Battery sold separately.
