Product Description

2023 American LandMaster L3 - 2WD

SIMPLE, AFFORDABLE, GETS THE JOB DONE

Whether it's upkeep on your garden or going for an evening drive around the lake, the L3 4x2 side-by-side delivers all the functionality you need, in an easy-to-maintain platform that will keep you doing the things you enjoy. This simple-designed, the easy-to-use machine is perfect for basic transportation, light property maintenance, lake/neighborhood rides, or other light-duty tasks. You'll be able to save a ton of time with L3 whether it's just driving your trash down the driveway, going to get the mail, hauling firewood, pulling farm implements, hauling the grandkids around, or whatever you put to the test.

The L3 is more affordable and offers more capabilities than a basic golf car. You won't find an American-built, light-duty UTV under \$7,300 anywhere else in the marketplace.
